

PERSONAL INFORMATION

Name **GIROLAMO DI GIORGIO**  
Address  
Telephone  
Mobile  
E-mail

Nationality **Italian**

Date of birth

WORK EXPERIENCE

- Dates **08/2007→**
- Name and address of employer **Belcolle Hospital , ASL VT3, strada Sammartinese, Viterbo, Italy.**
- Type of business or sector **Paediatric Department (9 bed) and Neonatal Intensive Care Unit (4 bed), Special Care Nursery (8 bed), Newborn nursery (16 bed)**
- Occupation or position held **Paediatrician, Neonatologist and Paediatric endocrinologist**
- Main activities and responsibilities 

In these 13 years I have rotated to both Paediatric Department and Neonatal Intensive Care Unit. During day, weekend and night shifts I was responsible for both Departments and for all acute paediatric and neonatology admissions. I attended out-patients clinics of Paediatric Endocrinology and Paediatric Endocrinology Day Hospital once a week. I managed almost all major paediatric, paediatric endocrinology and neonatology emergencies. I have maintained my practical skills in neonatal cardiopulmonary resuscitation, neonatal endotracheal intubation, venous cannulation, catheterization of umbilical vein, lumbar puncture, Insertion of intercostal chest drains (only 1 time). I have been involved in the education of nursing staff (2 days course twice per year) and in updating department protocols.
  
- Dates **08/2006-12/2011**
- Name and address of employer **"Bambin Gesù" children hospital, Palidoro, Roma, Italy.**
- Type of business or sector **Paediatric and Autoimmune Endocrine Diseases Unit**
- Occupation or position held **External Consultant in Paediatric Endocrinology**
- Main activities and responsibilities 

I continued to conduct research on genetic obesity and work for the same project in which I was previously involved named "Metabolic and endocrinological aspects, cognitive and emotional profile of patients with Prader-Willi Syndrome". I have published some papers and participated in several international meetings as presenting author of posters on this matter.

- Type of business or sector **Paediatric and Autoimmune Endocrine Diseases Unit**
- Occupation or position held **External Consultant in Paediatric Endocrinology**
- Main activities and responsibilities 

I continued to conduct research on genetic obesity and work for the same project in which I was previously involved named "Metabolic and endocrinological aspects, cognitive and emotional profile of patients with Prader-Willi Syndrome". I have published some papers and participated in several international meetings as presenting author of posters on this matter.

- Dates 09/2006 → 07/2007
  - Name and address of employer **Tarquinia Hospital, Azienda ASL VT3 (VT), Italy**
  - Type of business or sector Primary Neonatal Care Department (Maternity Department)
  - Occupation or position held **Paediatrician and Neonatologist**
    - Main activities and responsibilities I looked after term newborns in the Maternity Department and acute paediatric admission of this peripheral Hospital. In both cases I stabilized acute ill patients and transferred them to regional Hospital. I attended two paediatric out-patients clinics per week.
- 
- Dates 02/2006-08/2006
  - Name and address of employer **"Bambin Gesù" children hospital, Palidoro, Roma, Italy.**
  - Type of business or sector Paediatric and Autoimmune Endocrine Diseases Unit
  - Occupation or position held **Clinical Research Fellow in Paediatric Endocrinology**
    - Main activities and responsibilities I conducted research into genetic obesity and I was involved in a project named "Metabolic and endocrinological aspects, cognitive and emotional profile of patients with Prader-Willi Syndrome" and have published some papers on this matter. I looked after pediatric inpatients affected by endocrinological diseases, in particular PWS patients, admitted in Pediatric Department, and I attended general paediatric endocrinology outpatients clinics. I did weekend and night shifts in Paediatric Department, weekend and day shifts in the 1st level Paediatric Emergency Department of the same hospital.
- 
- Dates 01/2005-10/2005
  - Name and address of employer **Hopital St Vincent de Paul, Paris**
  - Type of business or sector Paediatric Endocrinology Department and Neonatal Care Department
  - Occupation or position held **Clinical fellow in Paediatric Endocrinology and Neonatologist**
    - Main activities and responsibilities During this year I attended in-patients and out-patients clinics of Paediatric endocrinology supervised by Prof. P. Bougneres and Prof. J.C. Carel and I got a good grounding of the matter, learning to manage almost all Paediatric Endocrinology Emergencies such as diabetic ketoacidosis and adrenal failure and chronic disease such as hypothyroidism, hypopituitarism, simple and genetic obesity, precocious and delayed puberty. I did night shifts (1/week) in Neonatal Care Department of the same Hospital.
- 
- Dates 11/2000-12/2004
  - Name and address of employer **Policlinico Gemelli, Università Cattolica, Rome - "Casa Sollievo della Sofferenza" Hospital, Research Institute , S. Giovanni Rot (FG), Italy.**
  - Type of business or sector Paediatric and Paediatric Onco-haematology Department, Neonatal Intensive care Unit, Paediatric Endocrinological out-patients clinics
  - Occupation or position held **Post-graduate clinical fellow in Paediatrics**
    - Main activities and responsibilities In this 4 years I rotated in these wards looking after approximately 30 paediatric, 28 neonatology and 15 oncohematologic inpatients under the supervision of my Tutor Dr Sacco. I have got a good grounding in Neonatology and General Paediatrics. When on call I was the principal doctor involved in assessing and initiating treatment of acute medical conditions with an average take of 10 paediatric patients. I encountered a broad range of medical conditions and became confident with the management of paediatric medical emergencies. During the last year I began to develop an interest in Paediatric Endocrinology.

- Dates  
December/2002
- Name and address of employer  
**Torvergata University of Rome, Italy - Centre Medical St Camille, Ouagadougou, Burkina Faso**
- Type of business or sector  
WHO/Italy Scientific and medical mission on HIV/AIDS in Africa
- Occupation or position held  
**Clinical fellow**
- Main activities and responsibilities  
Collection of epidemiological data of Ouagadougou population
  
- Dates  
December/2001
- Name and address of employer  
**Torvergata University of Rome, Italy - Hopital d'Alepe-CIRBA, Abidjan, Ivory Coast**
- Type of business or sector  
WHO/Italy Scientific and medical mission on HIV/AIDS in Africa
- Occupation or position held  
**Clinical fellow**
- Main activities and responsibilities  
Collection of epidemiological data of Alepe and Abidjan population
  
- Dates  
09/2000
- Name and address of employer  
**Hammersmith Hospital, London**
- Type of business or sector  
Medical Emergency Unit for Adult
- Occupation or position held  
**Clinical attachment**
- Main activities and responsibilities  
I attended Medical Emergency Unit for Adult patients supervised by Dr Kevin O'kane
  
- Dates  
07/2000- 08/2000
- Name and address of employer  
**Hammersmith Hospital, London**
- Type of business or sector  
Endocrinology Department
- Occupation or position held  
**Clinical attachment**
- Main activities and responsibilities  
I attended Endocrinological In-patients and out-patients clinics, supervised by Dr Karim Meeran
  
- Dates  
06/2000
- Name and address of employer  
**The Royal London Hospital, London**
- Type of business or sector  
Paediatric Accident & Emergency Department
- Occupation or position held  
**Clinical attachment**
- Main activities and responsibilities  
I attended Emergency unit for Paediatric patients, supervised by Dr Ffion Davies
  
- Dates  
08/1999
- Name and address of employer  
**Children University Hospital, Bratislava, Slovakia**
- Type of business or sector  
Paediatric Department
- Occupation or position held  
**Medical Student**
- Main activities and responsibilities  
One month Clerkship in Paediatric department organized by IFMSA (International Federation of Medical Students' Association), supervised by Dr Lubomir Barak

- Dates 04/1998
  - Name and address of employer **Institute for Indian Mother and Child, Calcutta, India**
  - Type of business or sector Medical Department
  - Occupation or position held **Medical Student**
    - Main activities and responsibilities One month Clerkship "Calcutta Project" in-patients and out-patients clinics organized by IFMSA (International Federation of Medical Students' Association), supervised by Dr S.K. Brahmochary
- 
- Dates 1997-1999
  - Name and address of employer **Policlinico Umberto I, University La Sapienza, Rome, Italy**
  - Type of business or sector Paediatric Department
  - Occupation or position held **Medical Student**
    - Main activities and responsibilities Internship in paediatric in-patients and out-patients clinics, supervised by Prof. Tucciarone Laura

## EDUCATION AND TRAINING

- Dates January 2012
  - Name and type of organisation providing education and training **Hawthorn Melbourne Test Centre, Melbourne, Australia**
  - Principal subjects/occupational skills covered Academic IELTS test: score 7 (Reading 7.5; Listening 7.5; Speaking 6.5; Writing 6.5)
  - Title of qualification awarded IELTS Certificate
- 
- Dates March-October 2010
  - Name and type of organisation providing education and training **Italian Society of Paediatric Endocrinology and Diabetology (SIEDP)**
  - Principal subjects/occupational skills covered Improve knowledge on paediatric endocrinology and diabetology.
  - Title of qualification awarded Certificate of attendance of SIEDP School
- 
- Dates 2009-2010
  - Name and type of organisation providing education and training **University of Siena, Siena, Italy.**
  - Principal subjects/occupational skills covered Knowledge on Herbal Medicine and its applications
  - Title of qualification awarded Certificate of Master of II grade in Herbal Medicine

<ul style="list-style-type: none"> <li>• Dates</li> <li>• Name and type of organisation providing education and training</li> <li>• Principal subjects/occupational skills covered</li> <li>• Title of qualification awarded</li> </ul>	<p>2005-2006</p> <p><b>Hopital Robert Debré, Université René Descartes Paris 5, Paris</b></p> <p>Knowledge on paediatric endocrinology and diabetology. - Name and type of organisation providing education and training **The Royal London Hospital, London**
- Principal subjects/occupational skills covered One day paediatric life support student course
- Title of qualification awarded PBLS course certificate
- Dates 04/11/1999
- Name and type of organisation providing education and training **University of Rome "La Sapienza", Rome, Italy**
- Principal subjects/occupational skills covered Medical doctor, final tesis "Bone Fibrodispalsia in Pediatric age: a case report", mark 110/110 summa cum laude
- Title of qualification awarded Degree of Medicine and Surgery
- Dates 1993
- Name and type of organisation providing education and training **Liceo Scientifico "Enrico Fermi", S. Marco in Lamis (FG), Italy.**
- Title of qualification awarded High School Degree. Mark 52/60

#### **PRACTICAL SKILLS**

I have attained and maintained my skills in the following:  
 neonatal cardiopulmonary resuscitation, neonatal endotracheal intubation, venous cannulation, catheterization of umbilical vein, lumbar puncture, Insertion of intercostal chest drains (only 1 time)

#### **TEACHING EXPERIENCE**

Throughout my last job I have been involved in the education of nursing staff (2 days course twice per year). I have also spoken on behalf of the pharmaceutical industry about treatment with GH in SGA children.  
 In 04/2005 at " Casa Sollievo della Sofferenza" Hospital, Research Institute, San Giovanni Rot (FG), Italy I was two days PBLS course Instructor

#### **PERSONAL SKILLS AND COMPETENCES**

#### **MOTHER TONGUE**

**ITALIAN**

#### **OTHER LANGUAGES**

#### **ENGLISH, SPANISH, FRENCH**

- |                  |      |       |       |
|------------------|------|-------|-------|
| • Reading skills | Good | Good  | Good  |
| • Writing skills | Good | Basic | Basic |
| • Verbal skills  | Good | Basic | Good  |

#### **COMPUTER SKILLS**

I regularly use a notebook computer and I am confident in the use of Word, Excel, PowerPoint, Stat View, e-mail and Internet.
