How Netflix expanded to 190 countries in 7 years

Netflix's global growth is a big factor in the company's success. Other U.S. internet companies have scaled internationally, of course (Facebook and Google are two obvious examples). But Netflix's globalization strategy, and many of the challenges it has had to overcome, are unique. Netflix must face a diverse set of national regulatory restrictions, such as those that limit what content can be made available in local markets. International subscribers, many of whom are not fluent in English, often prefer local-language programming. And many potential subscribers, accustomed to free content, remain hesitant to pay for streaming services at all.

Question

According to the text, what are the main challenges for Netflix?

1. Si presenta al Centro per l'Impiego un'azienda con 40 dipendenti che ha necessità di assumere persone disabili al fine di rispettare la quota d'obbligo prevista dalla Legge 68/99 e s.m.i. Alla luce della disciplina nazionale e regionale vigente, si illustrino i servizi che possono essere offerti con particolare riferimento alle convenzioni di cui all'art. 11 della Legge 68/99 s.m.i.
2. Il CCNL delle Funzioni locali
3. IL Garante della privacy
4. Come si chiama l'operazione consistente nel cancellare completamente il contenuto di un disco rigido?

The future is green

Many areas of our society and lifestyle are being affected by the growing environmental awareness. For example, the demand for ecotourism is increasing. Ecotourism provides an opportunity to develop tourism in ways that minimise the industry's negative impacts and actively promotes the conservation of Earth's unique biodiversity. Ecotourism can ensure a good living for local inhabitants while not detracting from their traditional lifestyles, intruding on their customs or spoiling in some way the area in which they live.

Question

According to the text, what are the positive effects of ecotourism?

1. Gli ammortizzatori sociali in costanza di rapporto di lavoro: CIGO, CIGS, contratto di solidarietà
2. La partecipazione al procedimento amministrativo ai sensi della L. 241/90
3. Gli obblighi del lavoratore: diligenza, obbedienza, fedeltà

Learn when to say no - and how to say yes

You can't say "yes" to everyone and everything and do all of it well. When you take on too many or the wrong things, you waste time, energy and money, and distract yourself from what's really important. Still, no one wants to anger or disappoint colleagues or other contacts — or, worse, turn down key career and life opportunities. You must therefore learn when and how to say both no and yes. A considered "no" protects you. The right "yes" allows you to serve others, make a difference, collaborate successfully and increase your influence.

Question

According to the text, why should you learn when and how to say both "no" and "yes"?

1. La condizionalità tra sostegno al reddito e partecipazione alle politiche attive ai sensi del D. Lgs. 150/2015
2. L'assunzione delle persone disabili presso i datori di lavoro privati.
3. Le categorie ed i profili professionali nel CCNL Funzioni Locali

An interview with Marie Kondo

Marie Kondo developed a motto — “Keep only what sparks joy” — and turned it into a successful business, along with best-selling books. Marie thinks that tidying is a skill and she wants to teach it. Her crucial rules are: first, forget the preconception that you were born unable to tidy. Second, focus on what you want to keep, not what to discard. Finally, follow the KonMari method: Tidy up in one shot; tackle your belongings by category; and ensure you have a set place for every item you choose to keep. Clutter is caused by a failure to return things to where they belong.

Question

According to the text, what are Marie's crucial rules?

1. L'accreditamento ai servizi per il lavoro ai sensi del Decreto del Ministro del Lavoro e delle Politiche Sociali 11 gennaio 2018 n. 4
2. Il reato di concussione
3. Le procedure di reclutamento dei dipendenti della P.A.

How healthy is your office?

For decades, many developers and architects worked to ensure that their buildings were kind to the planet. Now, their focus is changed: they look at the effect that buildings have on the people who live or work in them. One frequently cited Harvard study showed that improving air quality increases mental cognition. Studies also show that healthy workers tend to be more productive and this concept is behind a growing trend in real estate to create offices with measurable wellness benefits for workers.
